

Scam Alert Warning

The Embassy of Nigeria wishes to use this medium to warn the general public to beware of questionable offers purported to be from Nigeria and online business transactions or other similar correspondence.

The Embassy also provides free trade advice, investment information and linkages for companies and individuals interested in doing legitimate business with companies and people from the Federal Republic of Nigeria.

The Embassy hereby advises anyone who receives any business offer or employment alleged to be connected with Nigeria or from Nigerians which they are not sure of, to kindly contact the Embassy for verification.

If you are a victim of advance fee, cyber-crime or Internet fraud and you are interested in reporting the case, you can contact the Economic and Financial Crimes Commission (EFCC) established by the Federal Government of Nigeria to handle cases relating to economic, cyber-crimes and money laundering. For further information on the operations of EFCC, please visit their website www.efccnigeria.org
