

# Visa Appointment

## Booking Visa Appointment

Please schedule a visa appointment via the links below. Simply select your preferred date and time slot, indicate the name of the person submitting the visa application to the Embassy and click SAVE. Please note that if there are no available time slots, your request for an appointment will not be registered. You are only required to register once on the system. If you have registered twice with the same name, we will delete one of the entries.

After you have successfully registered your preferred date and time, please ensure you read through the visa requirements so as to avoid a rejection of your documents. The links below will help:

## Visa Procedures

## Visa Requirements

## Visa Fees

If unable to attend your appointment due to some reasons, please inform the Embassy so that the slot is made available to another visa applicant.

Applicants who do not have an appointment will not be allowed into the Embassy. This appointment system only applies to those wishing to submit new visa applications. If you need to collect your passport, submit additional documents or request information, you are not required to make an appointment.

Kindly arrive at least 5 mins to your appointment time and ensure you have paid the relevant visa fee at MKB Bank. Anyone who arrives late for the appointment will not be allowed entry and will be expected to make a new appointment.

If you wish to visit the Embassy for non - visa issues, please use the consular appointment link.

All first time applicants living in Hungary will be required to submit their visa application in person.
