

## Passport Services

The Nigerian Embassy in Budapest, Hungary is currently not equipped to issue e-passports. Nigerians residing in Hungary, Croatia, Bosnia -Herzegovina and Serbia who request for an e-passport will be referred to the Nigerian Embassy in Vienna, Austria. All persons are required to obtain a Letter of Introduction from the Nigerian Embassy in Budapest before proceeding to Vienna, Austria. Please also endeavor to call the Embassy in Vienna to get an appointment. The appointment date you receive after filling the online application should be disregarded.

If requesting for a passport for an infant, please note that the process can only initiated after three months of birth based on information from the Nigerian Embassy in Vienna. This Embassy can issue an attestation letter confirming the nationality of the infant before a passport is issued

All passport applicants should note that Nigerian Immigration Passport rules requires every Nigerian to be physically present when applying for a new e-passport or renewing an old passport. It is not possible to use a scanned copy of your previous passport to obtain a new e-passport or apply in proxy.
